### CALL FOR ABSTRACTS

The program committee for SRHD invites proposals for papers, posters, and symposia in the categories of faculty/professional, graduate student, and undergraduate (posters only).

### FORMAT

Submissions should be prepared in Word or PDF. A reference page is not required. No names, affiliations, or other identifiers should be included on the abstracts. Submitters should complete the online submission form found at [www.srhdonline.org](http://www.srhdonline.org), including contact person's name and email, list of all authors, title of the paper/poster/symposium, and category of submission (faculty/professional/graduate/undergraduate). Submitters should upload their abstract to the submission form and then click 'submit.'

Paper and Poster Submission Requirements: The abstract should include the paper/poster title and be 500 words or less.

Symposia Submission Requirements: A master abstract should be prepared that includes the title of the symposia, a brief abstract explaining how the individual papers fit together, and the title and abstract for each paper to be included in the symposium (each abstract should be limited to 500 words or less). On the online submission form, indicate the discussant's name (if applicable) as well as the titles and authors of each paper within the symposium.
